## BARBARELLA's ANIMALS, FANTASY, CULTURE AND SEX

FEB 21 - 28 MARCH

Strap in for an exciting series of Comedy Nights with the Queen of FUN! Barbarella loves the magic carpet ride she creates for all involved when she throws her 1-word themes out to the word.

A hilarious selection of seriously witty comedians have been pitched themes to build their stand-up sets on including ANIMALS, FANTASY, CULTURE, CULTS, DEATH AND SEX! Barbarella's Comedy Nights are certainly not for the faint hearted.

After her first comedy show in March 2020 just as the lockdown hit Sydney, Arielle separated from her husband, losing her partner and best friend of 30 years. This left her broken-hearted, grieving and in dire need of comic relief which ended up proving a great therapy. Arielle has jokingly been calling herself "Bondi's Mrs Maisel" ever since!

Arielle shares that "*The Marvellous Mrs Maisel* (TV series) tells the story of a Jewish American devoted wife and mother of 2 rug rats in the 50's. Mr Maisel champion's her husband's attempts at stand-up comedy but when he tanks he up and leaves her! So in a fit of rage she hits the bottle, and shortly after the stage much to the audience's delight. Suddenly she's a comedy hit! My life has practically mirrored Mrs Maisel's story I hosted my first show - talk about life imitating art!"

Arielle's "schtick" is that of a bitter, twisted, single, twin-wrangling Jewish Mum who is on a mission to pay off her mortgage one joke at a time! Her new status has certainly created comedic force to be reckoned with. Barbarella guarantees fun at all of her events, or else she promises to do a naked lap of the venue much to the delight or horror of the audience depending on the demographic!
